

Attention all KRGC Members!!

Two very important events are coming up this September. The first is the announcement at last month's Board/Membership Meeting of a second **Club-wide Work Party**, scheduled for **Saturday, 10 September**. As usual, our work will begin around 9am, and will include building a new message board near the entry gate, wiring new lighting in front of the clubhouse, cleaning up brush and trash along the club road, and completing some construction work on the new barn. Lunch will be provided for all participants. Just as with all Work Party days, all ranges will be closed until the work, and the clean up afterwards, is completed. If we have a good turn-out, the work will go quickly, so please pitch in.

Second, our annual **Officer Election** (for the 2017 calendar year) will take place on **Monday, 26 September**. Before the election--starting at 6:30 in the Clubhouse--we will have our traditional pot luck, so please bring a dish to pass. Families are welcome, and this is a great chance to get to know other Club Members. Immediately following the pot luck, we will hold our election to fill ALL of the Officers' positions. Because of the ratification earlier this year of the new Club Constitution, we will be starting anew in filling all positions. Even the recently filled two- and three-year Director spots will be voided, and new elections will be held to fill the revised Director platform, as well as the positions of President, Vice President, etc. Also, the new position of Range Safety Officer will be added. This is one of our most important yearly events, so please plan to attend.
